MONTANA DISCLOSURE REQUIREMENTS (SUMMARY)

Mold disclosure statement (safe harbor) (Montana Mold Disclosure Act, MCA § 70-16-703): MOLD DISCLOSURE: There are many types of mold. Inhabitable properties are not, and cannot be, constructed to exclude mold. Moisture is one of the most significant factors contributing to mold growth. Information about controlling mold growth may be available from your county extension agent or health department. Certain strains of mold may cause damage to property and may adversely affect the health of susceptible persons, including allergic reactions that may include skin, eye, nose, and throat irritation. Certain strains of mold may cause infections, particularly in individuals with suppressed immune systems. Some experts contend that certain strains of mold may cause serious and even life-threatening diseases. However, experts do not agree about the nature and extent of the health problems caused by mold or about the level of mold exposure that may cause health problems. The Centers for Disease Control and Prevention is studying the link between mold and serious health conditions. The seller, landlord, seller's agent, buyer's agent, or property manager cannot and does not represent or warrant the absence of mold. It is the buyer's or tenant's obligation to determine whether a mold problem is present. To do so, the buyer or tenant should hire a qualified inspector and make any contract to purchase, rent, or lease contingent upon the results of that inspection. A seller, landlord, seller's agent, buyer's agent, or property manager who provides this mold disclosure statement, provides for the disclosure of any prior testing and any subsequent mitigation or treatment for mold, and discloses any knowledge of mold is not liable in any action based on the presence of or propensity for mold in a building that is subject to any contract to purchase, rent, or lease. (Applies: all inhabitable real property (statement optional but safe-harbor; known-mold disclosure mandatory).)

Water right ownership update disclosure (MCA § 85-2-424(7)): WATER RIGHT OWNERSHIP UPDATE DISCLOSURE: By Montana law, failure of the parties at closing or transfer of real property to pay the required fee to the Montana Department of Natural Resources and Conservation for updating water right ownership may result in the transferee of the property being subject to a penalty. Additionally, in the case of water rights being exempted, severed, or divided, the failure of the parties to comply with section 85-2-424, MCA, could result in a penalty against the transferee and rejection of the deed for recording. (Applies: any land transfer with appurtenant recorded water rights.)

No general seller property condition disclosure statute (MCA § 37-51-313 (licensee duties); no seller disclosure act): Montana has no statutory seller property-condition disclosure form; sellers must not conceal known material defects (fraud/negligent misrepresentation exposure) and licensees must disclose known adverse material facts; MAR form is customary.

Noxious weed management disclosure (MCA § 7-22-2101 et seq. (county weed control); customary buyer notification for rural land): Buyers of agricultural/rural land are commonly given notice of noxious weed management obligations under county weed district law; appears in standard MT land contracts. (Applies: rural/agricultural land.)

Lead-Based Paint (federal, homes built before 1978): the EPA/HUD "Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards" must be completed and attached, and Buyer acknowledges receipt of the pamphlet "Protect Your Family From Lead In Your Home."

Closing Practice Note: recorded instruments: Deeds require notary acknowledgment for recording (MCA §§ 70-21-203, 1-5-602); no witnesses required. Realty Transfer Certificate (with water rights disclosure) must accompany deed or recorder will reject..

15. DISCLOSURES ACKNOWLEDGED. The Parties acknowledge the disclosures summarized above. Was the residence built before January 1, 1978? ☐ Yes ☐ No. If yes, the federal lead-based paint disclosure is attached as an addendum. Is the Property subject to a homeowners' or condominium association? ☐ Yes ☐ No. Any disclosure summarized above that state law requires as a separate standalone form has been or will be delivered as such before or at the execution of this Agreement: ☐ Yes ☐ Not applicable.

16. MISCELLANEOUS. This Agreement (a) is the entire agreement of the Parties and supersedes all prior negotiations; (b) may be amended only in a writing signed by both Parties; (c) is governed by the laws of the State of Montana; (d) is binding on the Parties and their heirs, successors, and permitted assigns; (e) may be signed in counterparts, and electronic or scanned signatures are effective as originals; (f) time is of the essence; and (g) if any provision is held unenforceable, the remaining provisions continue in effect.
